94 anon referring to Karmal's report to the PDPa plenum and his remarks on importance of universal peace says afghan people are well aware of what war is, hence their sincere devotion to peace struggle. draw on basis of peaceful coexistence and goodneighborliness, persistently strives toward peace.

imperialists' aggressive policies cause concern among people of afghanistan and this is why afghanistan actively participated in prague peace conference. participants in conference expressed their solidarity for afghan people who are targets of imperialists' undeclared war. on eve of prague conference peace

plenum meetings were held throughout afghanistan and participants expressed their readiness to thwart imperialists' military plans. as pointed out by afghan press, new initiatives put forth by socialist countries were warmly welcomed by the afghan people. (5 min: dari 1500)

95 "from moscow's viewpoint": rounding up the soviet people's views on the situation around afghanistan, on karmal's report to pdpa plenum and on afghanistan's domestic and foreign policies.

also refers to recent meeting in moscow on soviet-afghan cooperation, on agreements signed as well as important decisions made, and on afghanistan's relations with socialist countries. reference is also made to afghan-pakistani talks in geneva and afghanistan's consistent policy is lauded. the talk concludes by condemning u.s. support for counterrevolutionaries saying that u.s. efforts to turn back the clock are futile. (10 min: dari 1500)
